Triumph Motorcycles

Welcome to the world of Triumph!

Born in 1902, Triumph Motorcycles, the original British motorcycle company, boasts a rich heritage and an unparalleled history of legends, from category defining motorcycles to racing icons.

For The Ride

We are driven to make the best motorcycles in the world. Creating bikes with the perfect balance of power, handling and style.

We are chasing the same thing as our riders
THE PERFECT RIDE

The Speed 400 Bloodline

The Speed 400 is born into the legendary Triumph Modern Classic bloodline that changed the face of motorcycling, gave birth to the new Modern Classic category, and inspired everything that followed.
